

Millies Fling: A fresh, witty British romantic comedy of finding love in unexpected places

Millies quiet, single summer is about to get turned upside down...When her dear friend and bestselling novelist Orla Hart invites Millie to spend the summer with her in Cornwall, Millie leaps at the chance to spend the summer alone, recovering from a bad breakup. But Orla has other ideas. Envisioning Millie as the heroine of her next novel, Orla is determined that Millie should meet the man of her dreams this summer. The trouble is, Millie's taste in men doesn't match with Orla's at all. Hugh Emerson, dashing young widower, is the one who really interests her. He is also the one man Orla insists she shouldn't get involved with. With dropped wallets, rollerskating gorillagrams, the world's most flirtatious boss, and a helicopter in the back garden, it's sure to be an unforgettable summer...A fresh and fun British women's fiction and a great romantic book with plenty of humor, friendship, and some madcap fun. Fans of Meg Cabot, Sophie Kinsella, Helen Fielding and Jennifer Weiner will want to escape to Cornwall this summer to find their own romance. What readers are saying about Millie's Fling: a delightfully funny romance comparable to a good Romantic Comedy movie. The goings on and misunderstandings down in Cornwall reminded me of a MASH-UP OF AUSTEN AND SHAKESPEARE. A typical not-at-all-perfect heroine, stuck between jobs and with a mixed up family and a few wacky friends. FRESH AND WITTY. A non-stop roller coaster ride full of ROLLICKING FUN and laughs.
