

# A catalogue and succession of the kings, princes, dukes, marquesses, earles, and viscounts of this realme of England, since the Norman Conquest, to ... Collected by Raphe Brooke Esquire. (1622)

EARLY HISTORY OF MILITARY, WAR AND WEAPONRY. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. Any professional or amateur student of war will thrill at the untold riches in this collection of battle theory and practice in the early Western World. The Age of Discovery and Enlightenment was also a time of great political and religious unrest, revealed in accounts of conflicts such as the Wars of the Roses.
