

A Donkeys Tale

I was about your age, Sarah. He nodded to the seven-month-old donkey. And I had heard through the animal grapevine that the Creator was here on earth walking around. My owner had taken me into Bethany, and two of Jesus's disciples walked right up and started untying me. The thought of being of service to Him thrilled my soul. I thought my heart was going to beat right out of my chest. Animals can see Him in His creation the whole universe and everything in it. But to see Him with my eyes was something that I did not want to miss. In Sam Shope's endearing story from the Gospel of Matthew, A Donkeys Story, Roman is the donkey who has been blessed with perhaps the greatest privilege for a donkey ever carrying the Lord Jesus Christ into Jerusalem for His triumphal entry. Experience this incredible tale right along with his filly-niece and colt-nephew, Sarah and Michael, as he recounts to them his amazing journey.
