

A Gift From Poseidon

North Carolina painter Evan Phelps and his ex-lover Frank own a small art shop in the beach town of Manteo. When four friends encounter car trouble one day and seek help from Evan, the painter finds an unexpected muse in the much younger Sterling. He is gorgeous and Evan cannot stop thinking about him and painting images of him in various erotic poses. When Sterling comes to him for serious sexual advice, an unlikely relationship begins between the mature Evan and the much younger Sterling, a virgin in anticipation of his first sexual experience. When Evans career begins to take off, the adventures begin, leading Evan and his young paramour to a place neither has been.
