

## The Spirit Controlled Life

What does it really mean to be filled with the Holy Spirit? Is it just a tingly one-time thing? Or is it so much more? In the Bible, the Spirit-filled life is a continuous filling of Gods power and intimacy. And its the birthright of every Christian. We just have to yield to Gods love, His Lordship, His power and influence so that His Spirit can be the wind in the sails of our Christian life filling us, sustaining us, empowering us, and guiding us. When you yield yourself to Him, He begins to fill you, permeate your being, inspire your thoughts, and illuminate your mind to comprehend and obey His Word. Let me show you how.
