

Hawaiian Healing (Hawaiian Heartbreak Book 2)

Kayla came to Hawaii to heal her broken heart. Not to get it smashed all over again.

Jay took over her mind and body, consumed her, and then he was gone. All she has left are the questions she can't run from any longer. Can she survive without him? What's more important, love, or the life she's built at home? And why does it suddenly seem like Jay's hiding something?

The second book of three in the Hawaiian Heartbreak trilogy, a fun and racy contemporary romance. Recommended for readers over the age of 18 due to explicit sexual content.
