

## Bob at the Lake

What would happen if Roz, a crabby woman of a certain age, moved to the wintry shores of a New York lake-and got a ghost? And not just any ghost, mind you. Bobs a ghost from 1920s Manhattan, full of quips and over fond of his martinis, who swans around in a silk smoking jacket and makes Rozs life very . . . well, lets just say complicated. Especially after Roz meets David, the good-looking grape grower who lives up the hill. Join Roz, David-and Bob-as they navigate blizzards, cookie mazes, holiday shopping sprees, and the occasional power outage. (You know, all of those delightful challenges of a good, old-fashioned Northern winter . . .)
