

Fire in the Ice

Hardened by her husband's death two years earlier, Deedra Marlan—the Ice Princess to her friends—vows never to feel the pain of loss again. She hides her emotions by operating a prominent restaurant called The Fireside. When Josh McKenzie enters her icy world, the handsome cattle rancher decides he must have this standoffish woman. He is unwilling to take no from her, and Deedra finds Josh pushing buttons in her that she didn't know existed. Feeling emotions she has never dared to feel, she is brought almost to the point of fright with this hard-edged, strong, determined man. Journey through this couple's erotically charged passions and their heart-wrenching ordeals as Josh struggles to unleash the fire in the ice of this beautiful woman.
