

German Political Leaders (Classic Reprint)

Excerpt from German Political Leaders
The author of this volume is already well known to many Americans through his letters from Berlin to the New York Tribune, and to the London Daily News, as well by his Essays on German themes, in the Gentlemen Magazine, and elsewhere. Being a native of the United States, and a four years resident of Berlin, he is remarkably well situated for the preparation of this particular book; as he may be supposed to understand both his subject and his audience. Our best books of reference afford such scanty information in respect to German statesmen, that a work like this cannot fail to possess great popular value.
