

## Catholic School Leadership: An Invitation to Lead

Catholic School Leadership addresses many of the challenges facing those who prepare faith leaders and education leaders for the Catholic schools of the future. The well-known editors and contributors to this volume have written about their personal experiences with Catholic schools; the educational foundations of Catholic schools; teacher preparation and development; Catholic school leadership; dealing with parents and families; and the challenges of technology for Catholic schools. The contributions emphasize the perspectives of both scholars and practitioners within Catholic education and will interest anyone who has experienced time in a Catholic school either as a student, teacher or administrator, as well as those interested in what is happening within Catholic schools today.
