

The Lowering Sky: Stories & Devotionals

The Narrow Path is a journey of change. We learn to forego ourselves, to please the Christ, to invest in His Kingdom. As spiritual outlaws, this is foreign and painful; it is the death of our rebellious nature. As the spiritually adopted, this is complete renewal; it is life and freedom and breathtaking hope. Thus, the Christian Way is both a living baptism and homecoming pilgrimage. In *The Lowering Sky*, we explore deep challenges faced by men on the Christian journey: purpose, sexual temptation, anger, failure, self-doubt, and employment. Through true-to-life fictional stories and related devotionals, we discuss our Biblical roadmap. And all throughout, we look to our martyred Savior, Who showed that it takes grit to carry a cross. Joseph Schneller has published over 100 articles, devotionals, and short stories with major Christian ministries, and is the author of *Your Average Joe: Unplugged* (a devotional for adults) and *Carter in the Crosshairs* (a young adult novel).
