

Crime Buffs Guide to Outlaw Arizona (Crime Buffs Guides Book 6)

OUTLAW ARIZONA continues the popular series that critics, true-crime fans, historians and travelers have hailed as the ultimate guilty pleasure, thorough and unflinching, and the best damn crime travel series ever published! This rollicking romp across the historic Arizona crimescape promises all the cant-look-away allure of its predecessors ... and a few surprises! This is a trip to the Grand Canyon States darker side, where seemingly idyllic places reveal secrets: the compound of a child-molesting polygamist, the scene of a 19th century mass murder, the spot where John Dillinger was arrested for the last time, the scene of Billy the Kids first killing, and many more. With photographs, maps, directions, and precise GPS coordinates, this collection of outlaw tales is both a travel guide and an entertaining and enlightening read.
