

## Gabriels Inferno (Gabriel, Book 1)

Gabriels Inferno -- semi-finalist for Best Romance in the 2011 Goodreads Choice Awards This is not only one of the best debut books this year, but Reynard is one of the best new authors this year. 5 stars. - Donna of Offbeat Vagabond Its not very often that I am left so affected by a book, but this one took me on a roller coaster ride of emotions ... This novel is thought provoking, entertaining and beautiful. 5 stars. - Nix of Scorching Book Reviews This is one of the most romantic and sensual stories I have read ...the words he writes will sing to you. 5 stars. - JJ of JJ iReads I was seduced, entranced, and completely satisfied ...The narrator, and its characters were equally charming and sinful. 5 stars. - Tigris Edens Garden of Books Enigmatic and sexy, Professor Gabriel Emerson is a well respected Dante specialist by day, but by night he devotes himself to an uninhibited life of pleasure. He uses his notorious good looks and sophisticated charm to gratify his every whim, but is secretly tortured by his dark past and consumed by the profound belief that he is beyond all hope of redemption. When the sweet and innocent Julia Mitchell enrolls as his graduate student, his attraction and mysterious connection to her not only jeopardizes his career, but sends him on a journey in which his past and his present collide. An intriguing and sinful exploration of seduction, forbidden love and redemption, Gabriels Inferno is a captivating and wildly passionate tale of one mans escape from his own personal hell as he tries to earn the impossible...forgiveness and love.
