

## Dream Shadows (Berkley Sensation)

Trapped in a coma, Elizabeth Graye lives only in her dreams...where she hears the music of country singer Rick Denning and meets him time and time again in her fantasies. Rick Denning thought Elizabeth only existed in his mind. When his encounters with his dream woman invade his waking hours, he decides to find her, not realizing that there's someone whose life nothing better than to send them both to eternal rest.
