

Emile Durkheim on the Family (Understanding Families)

Emile Durkheim on the Family is intended to bring attention to this classical sociologists work on the family. Durkheims writings in this area are little known, but the family was nevertheless one of his primary interests, the subject of an intended book that was never written. Durkheims ideas on the family appear only in scattered sources and a number of those sources have not been translated into English. Durkheims Sociology of the family has not heretofore been presented and analyzed holistically.
