

Georges Bataille: Essential Writings (Published in association with Theory, Culture & Society)

Georges Batailles work is an essential reference in any discussion of modernity and postmodernity. An important influence on Foucault, Derrida and post-structuralism, Bataille is a thinker of key significance. This volume makes a selection from the entire body of his academic work, showing how his thinking on sacrifice, eroticism, taboo and transgression, and the nature of identity inform his social theory. Bataille - Essential Writings will be the standard introductory text to this profound and difficult thinker.
