

Bliss: An Anthology of Novellas (Bliss Series Book 1)

Five authors contribute five novellas to this romantic collection set over centuries, in one home on Albemarle Sound. Where the heart is Bliss, the stately residence on North Carolina's Albemarle Sound is home to five stories of spellbinding romance. Take The Long Road Home as Civil War torn lovers are reunited. Witness the recovery of a Titanic widow's heart as she finds love in The Healing Garden. Become Spellbound when a marriage of convenience turns passionate. Come Home Again during the heartrending conflict of the Vietnam War as a runaway bride discovers love with her childhood friend. And finally, a divorced couple questions if love really can exist for them Beyond the Checkered Flag. Is where love dwells... Come home to Bliss with Jamie Denton, S.K. McClafferty, Kathleen Shoop, Marcy Waldenville, and J.D. Wylde as they take you through the ages in this often poignant, sexy, and romantic collection of novellas, where there really is no place like home, no place like Bliss.
