

How To Be Happy No Matter What

I sat listening to the lady preacher as she talked about how happy her life is and how complete she feels. The joy and peace shining from her face as she spoke left no doubt- she truly is a happy woman. The amazing thing about this internationally known teacher is that she was horribly abused over and over throughout her childhood. Wow! If she can be happy, whole, and full of the joy of life, I know I can be too. And so can you, no matter what you have faced. No matter what you are facing today. It is possible for you to learn how to be happy and filled with joy no matter what circumstances are invading your life. Within these pages, you will find concrete steps you can take to begin finding a deeper level of happiness. If you choose to learn the lessons presented your life will never be the same.
