Carrie loves Joe. Joe loves Carrie. Everybody else in town seems to know it, but these two have been best friends for so long that speaking of changed feelings seems... impossible. They think about each other constantly and say nothing. After a year and feeling there's no way around the impasse, Carrie decides to pack her bags and go for the time-honoured heart cure: a good walkabout. Before Joe knows it, Carrie has jetted to the other side of the world. That wakes him up! He's got to go after her. However, as he soon learns, getting close to Carrie and catching her are not the same thing.
