

Everything for Us (The Bad Boys)

When it comes to passion this hot, its all or nothing. Olivia Townsends wealthy cousin Marissa had everything a girl could ask for? a great job, a privileged life, and all the friends she wanted. Or, at least, all the friends money could buy. But one case of mistaken identity has turned her privileged world upside down. An abduction gone wrong lands her right in the lap of the sexiest, most dangerous man shes ever met. To Marissa, hes an enigma, but one to whom shes irresistibly, inexplicably drawn. With him comes a new world of freedom and passion, of dark shadows and dangerous secrets, a world where nothing is what it seems? except for the blind passion that Marissa cant escape? or maybe even survive. Praise for the Bad Boy Novels Scorching hot insanelly intense. ?The Bookish Babe Prepare yourself to be blown away. ?My Keeper Shelf Epic action and romance. ?A Life Bound by Books
