

# Resisting Gossip Together: Participants Guide and Bible Study

Cultivate a gossip-resistant church dedicated to Christ's mission of faith and love. With gossip being so prevalent in our culture, it can be hard to resist listening to and sharing stories about other people's business. But what does God say about gossip? In this follow-up to his bestselling debut book, *Resisting Gossip*, Pastor Matt Mitchell provides a dynamic resource for individuals and groups who wish to enhance their personal Bible study by examining the subject of gossip. *Resisting Gossip Together: Participants Guide and Bible Study* is a ten-lesson companion workbook that outlines further the biblical definition of sinful gossip and examines deeper the five kinds of gossiping people. Each participant is provided instructions for resisting gossip and using edifying speech. Also included in *Resisting Gossip Together* is a guide for small group leaders and helpful links to both online articles for further study and a video teaching series that corresponds to each lesson.
