

Seth Baumgartners Love Manifesto

Seth Baumgartner just had the worst day of his life. His girlfriend dumped him (at Applebees), he spied his father on a date with a woman who is not his mother (also at Applebees!), and he lost his fourth job of the year. Its like every relationship he cares about is imploding, and he cant figure out whats going on. To find answers, Seth decides to start an anonymous podcast called The Love Manifesto, exploring what love is, why love is, and why were stupid enough to keep going back for more. Things start looking up when Seth gets a job at a golf club with his hilarious and smut-minded best friend, Dimitri, and Dimitris sister, Audrey. With their help, Seth tracks down his fathers mystery date, hits the most infamous bogey in the history of golf, and discovers that sometimes love means eating the worst chicken-salad sandwich you can ever imagine.
