

## One-Night Baby (Mills & Boon Modern)

When Kate met Hollywood producer Santino Rossi, she was swept away. He was unaware of her innocence, or of the baby they made that night. That sensuous evening is forever etched on Santino's mind so when Kate appears in Rome, five years later, he's ready for a rerun of their passionate affair. The only problem is Kate's obvious evasion of his attentions. Santino is determined to find out what she's hiding. . . . And get her back in his bed!
