

The New Spurgeons Devotional Bible: Year Two

This is Year Two of the two year, fully updated edition of Spurgeons 600,000 word classic, originally titled The Interpreter. Great care has been taken to retain Spurgeons views and illustrations while replacing 19th century British English with 21st century American English and replacing the King James Version with the English Standard Version. Selections for Year One are mainly from Genesis through Second Kings while Year Two has passages mainly from the Old Testament Prophetic Books and the New Testament. Psalms are interspersed among both years.
