

# The Reformation of the Church of England, Its History, Principles, and Results [A. D. 1514-1547]; By the Rev. John Henry Blunt

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1869 Excerpt: ... archidiaconal jurisdiction. It will thus be seen that the increase of monas-Such evils teries in England had been accompanied by two important very serious evils, the suppression of which wouldalTM have been perfectly lawful, since they interfered with the general welfare of the body politic and the body ecclesiastic. How far excessive wealth and excessive liberty led to other evils is a question upon which no certain verdict can be given, through the unsatisfactory nature of the evidence which has come down to us. This subject will, however, be brought before the reader again in a subsequent page. But even supposing there was no extraordinary wickedness among the monks of the sixteenth century, it must be admitted that there were strong arguments for reforming the monastic sys-and quite tern; that it had wandered into wrong principles as pUmsfor regards its relations both to the Church and the f0f1rma State; and that it is extremely probable these deviations in principle had led to practical abuses which contemporary lookers-on saw very clearly, and which we too should see clearly if Ave had more perfect records of those distant times.8 8 Wolsey issued a commission nances and slanderous living. (as legate a latere) to the Bishop Kims so transgressing were to be of Sarum, empowering him to removed to other religions houses, visit the nunneries of his diocese, Fiddes Wolsey, Coil. No. 65. and proceed against such as were One at least of such nunneries was guilty of enormities, misgover-suppressed in consequence, that of Chap If, however, these constitutional errors of the monastic system were to be represented as influencing Henry VIII. in respect to his project of dissolution, we

should be fairly open to the charge of
