

## Moments for Friends

They come and go, like seasons or sitcoms. Blooming early in our lives, friendships curl up and scatter with the winds of years gone by, but throughout life they are there at the most God-given times, to lift our heads after a particularly trying day. Or to laugh like mad at a funny story told well. Friends are the sweet-smelling spices of life that touch our senses when nothing but a hug or thoughtful note will do. In Moments for Friends, enjoy 30 touching stories from a most important relationship. The perfect gift for that someone from long ago, or a new friend.
