

Salt and Light featuring J.L. Hart

Behold, how good and how pleasant it is for brethren to dwell together in unity! Psalm 133:1 In the pages of this book you will find heartfelt stories and insights from people who are experiencing the joy of Jesus and are happy to share their life changing insights and illuminations on what it means to draw closer to Christ. No philosophy here, I personally asked each author to give practical and personal insights on drawing closer to our loving heavenly Father. The answers I received are life transforming! It is my prayer and sincere desire that the contents of this book will inspire and motivate you to a closer walk with our precious Savior. Thanks be to God for all good things and thanks to the saints who contributed to this work.
