

Why Receive the Holy Spirit and How to Receive Him

Why Receive the Holy Spirit and How to Receive Him was written by J.E. Stiles in the 1940s and given freely to those who attended his meetings and heard his sermons. In his writing, Bro. Stiles asserts that the Bible teaches the Holy Spirit is received by simple faith, not by wrestling with God, a concept that many in the evangelic community have struggled with.

Thousands have received the gift of the Holy Spirit after reading J.E Stiles teaching on this important subject. Anyone who seeks more of the Holy Spirit should prayerfully read this book, which uses the Holy Scriptures to explain how a believer with faith can freely receive this gift. Clearly the Holy Spirit inspired both the scripture references and words used by Bro. Stiles to teach the reader how to receive the gift of the Holy Spirit, as they have increased the faith of thousands of readers since he first wrote these words over 70 years ago. Why not see for yourself how studying these scriptures can awaken your faith?
